This matter comes before the Public Service Commission of South Carolina (the "Commission") on the request of Frontier Communications Corporation ("Frontier"), New Communications of the Carolinas, Inc. ("NewILEC"), and New Communications Online and Long Distance, Inc. ("NewLD") (hereinafter jointly referenced as the "Applicants") for a name change following the transfer of assets, authority, and certificates as approved by Order No. 2009-769 (October 29, 2009) in the above captioned docket. Under Order No. 2009-769, Verizon South, Inc.'s incumbent local exchange carrier operations in South Carolina were transferred in their entirety to NewILEC, which became controlled by Frontier pursuant to a parent company merger. Likewise, certain long distance customers of Verizon Long Distance, LLC and Verizon Enterprise Solutions, LLC in South Carolina were transferred to NewLD after they were acquired by Frontier. Since these acquisitions have now occurred, Frontier owns,

controls, and manages the businesses transferred as part of the transaction, and NewILEC and NewLD are operating as Frontier subsidiaries.

The current request for a name change came in the form of a letter notifying the Commission that the South Carolina Secretary of State has amended the name of New Communications of the Carolinas, Inc. to Frontier Communications of the Carolinas, Inc., and New Communications Online and Long Distance Inc. is now officially Frontier Communications Online and Long Distance, Inc. We grant this request. Therefore, the names of these Companies on their corresponding Certificates of Public Convenience and Necessity shall be changed to read as follows:

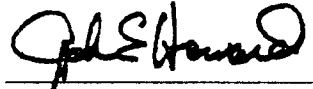

New Communications of the Carolinas Inc. will now be Frontier
Communications of the Carolinas, Inc.

And,

New Communications Online and Long Distance, Inc. will now be
Frontier Communications Online and Long Distance, Inc.

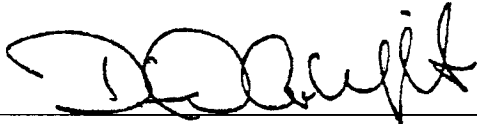

This Order shall remain in full force and effect until further order of the Commission.
